

REPORT ON EEL INAUGURATION EVENT

Date: 19.09.2022

Venue: LICET Auditorium / G01

Duration: 1hr 30min

Audience: Students of EEE from 2nd, 3rd and Final years

Since its inception in 2013, The Electrical Engineers League (EEL) has been active and has organized a variety of events for its members. The event started with a splendid prayer song followed by the welcome address given by our II-year student. The EEL Club was inaugurated this year by Mr. Ganesh Nagarajan, Director and country head for MECWIN Technologies India Pvt. Ltd. The office bearers of the EEL association were introduced. Our association president Mr. Naveen of III years has briefed the activities planned for the upcoming academic year 2022-23.

The chief guest gave a spectacular speech on the “Introduction to the EV course” in which the speaker elaborated on the evolution of Electric Vehicles. He also gave insights regarding the recent trends that are prevailing in the industries and the roles to be developed. For all of the participants, it was one of the most motivating moments. Finally, our association treasurer Ms. Jency Mary of III-year proposed the vote of thanks with the valuable inputs she gathered and finished this inaugural function with a beautiful quote.

“A dream does not become reality through magic; it takes sweat,

determination, and hard work”
