

## ANNUAL REPORT

### (July 2019 – June 2020)

#### Inauguration of SHE

On 13th August 2019, a forum called SHE – See Her Empowered was launched for the women students of our college. The aim of SHE is to empower women students and to encourage them to discover themselves. The Chief Guest for this august event was Ms Goushaly Kothai Nachiar, Practice Head App Development & Analytics, Amtex System and the Guest of Honour was Ms Padmini Janaki, Product Management Professional, Change Healthcare. The inaugural event also included a dance performance and mime by several women students.

#### Women Empowerment Conclave

On September 6th 2019, the Madras Management Association enlightened the women students on the importance of self-independence, opportunities for entrepreneurship, and also encouraged direct interaction of students with companies like AGS Health, CueMath and Thoughtworks. Apart from this, there were also a series of workshops, masterclasses, storytelling sessions and panel discussions supporting the above topics as part of the conclave.

## Women & Wellness Webinar

A session to throw light on Women's Well-being and Health was conducted on 13th November 2019 and the speaker for the same was Dr. Meera Ragavan, a Urogynaecologist.

## Women's Day 2020

The Women's Day 2020 celebration kicked off with a flash mob followed by a performance by the LICET band in the college reception area. A plethora of competitions like poetry writing and poster design contests were held and prizes were distributed to the winners and participants.
